

# KINDERGARTEN

Dear Kindergarten Families,

I hope that you've been enjoying the summer with family. As we look forward to the 2020-2021 school year, we want to take some time to invite all of our incoming Kindergarten students and parents to a virtual Kindergarten Roundup. We welcome you to view our slide show on our website at St. Henry's Area School and to schedule a visit to see the classroom on Monday, July 13 with your child.

To schedule a visit please call or email the school at [sthenryschool@arvig.net](mailto:sthenryschool@arvig.net) before Monday, July 13, 2020. Please note that these visits will be scheduled for 15-20 minute intervals from 2:30pm - 6:30pm. I will meet with individual families privately due to the Covid19 Coronavirus concerns. Social distancing rules and regulations will apply.

Kindergarten is a milestone in your child's life. New experiences and friends will make the year a special time for you and your child. My hope is that this virtual Kindergarten Roundup gives a short glimpse into our Kindergarten program. Scheduling a visit offers an opportunity for new families to view our classroom and ask questions you or your child may have before the school year begins. We want to provide the best Kindergarten learning experience by helping your child feel at ease that first day!

A registration form for Kindergarten is included with this letter. Do not hesitate to contact St. Henry's School if you have additional questions. We are looking forward to forming a partnership with you this year and for years to come!

God Bless,

Mrs. Laura Smil
